

Foam Inserts

Foam inserts provide secure protection for delicate and fragile items, preventing them from shifting or getting damaged during transit.

Satin or Grosgrain Ribbons

Elegant satin or grosgrain ribbons add a touch of luxury and sophistication to gift boxes, making the unboxing experience more special.

Tissue Paper

Wrap your gifts in delicate tissue paper, adding a layer of finesse and creating an element of surprise for recipients.

Cotton Filler

The soft and eco-friendly cotton filler adds a gentle cushioning effect, ensuring the contents are snugly nestled within the gift box.

Dividers

Dividers help organize and separate multiple items within the gift box, keeping them neat and protected from rubbing against each other.

Magnetic Closure Ribbons

Combining the beauty of ribbons with the convenience of magnetic closures, these ribbons offer an elegant and secure way to close the gift box.

Die-Cut Inserts

Custom die-cut inserts perfectly fit the shape of your products, providing a tailored and professional presentation.

Clear Plastic Trays

Clear plastic trays add a professional touch and allow recipients to see the contents without opening the gift box.

Velvet or Fabric Pouches

Velvet or fabric pouches are perfect for presenting jewelry, accessories, or small items, exuding a sense of luxury and sophistication.

Thank You Cards or Tags

Express gratitude and personalize the gift with thank you cards or tags, making recipients feel appreciated and valued.

Elastic Bands or Straps

Elastic bands or straps securely hold the items in place, preventing shifting and adding a touch of elegance to the presentation.

Gift Certificates or Vouchers

Include special gift certificates or vouchers to offer recipients additional treats or discounts, adding value to the gift.

Stickers or Seals

Decorative stickers or seals add a finishing touch and enhance the overall appeal of the gift box.

Engraved Metal Plates

Personalize the gift box with engraved metal plates, displaying brand logos, special messages, or recipient names.

Decorative Tissue Paper or Shred

Decorative tissue paper or shred adds a pop of color and texture, enhancing the presentation of the gift box.

Personalized Notecards

Include custom notecards with heartfelt messages or branding, conveying a personal touch and leaving a lasting impression.

Hang Tags

Attach hang tags with product details or branding, offering additional information or a unique identifier for the gift.

Gift Wrapping Accessories

Gift wrapping accessories like bows, flowers, or ornaments enhance the visual appeal of the gift box, making it even more delightful.

Belly Bands

Belly bands wrapped around the gift box provide an elegant branding opportunity and create a cohesive look.

Pop-Up Elements

Interactive pop-up elements surprise and delight recipients, making the unboxing experience fun and memorable.
